

Week One – Survivor, June 10, 2022

We “Survived” Week 2 Survivor week!

The second week of camp has been jam-packed and full of fun! With the camp season in full swing, you can really feel the *ruach* (Hebrew for spirit) and enthusiasm. Thank you to Heather for bringing the Ruach every morning during Boker Tov...

A key piece to summer camp is building community within our camp. While we walk around the campus, we have seen such a strong sense of *Kehillah* (community) on full display as campers start to create friendships and form bonds with other campers and staff.

The Bubble Show was a big hit and many campers participated in making dog toys for the animal shelter. If your child has not yet contributed, it is because groups are taking various times throughout this week and next to create these handmade toys. Our upper campers had the best time on the Defy gravity and Shark Wake Park field trips! The week ended with a friendly competition of everyone in camp representing two different tribes, Meatballs and Spagetti in a fun and action-packed Basic Training day. Congrats to the Spaghetti Tribe! As always, we closed out the week with a special Shabbat together. Ask your child about any new songs they are learning. It is wonderful to end the week with Shabbat to bring the camp together and reflect on the past week, while we look forward to next week!

Shabbat Shalom! We are looking forward to Museum Mania Week!

Meet our Shlihot

We are SO thrilled to have Maya and Ayelet joining us this summer all the way from Israel to come to camp. Maya is teaching *Sababa*, which is cool in Hebrew. This is our Israeli culture session. She is from Binyamina, which is North, next to Hafia. She is excited to meet all of our campers and share what is so special about her country with them! Ayelet is teaching our campers Science. She comes to us from Omer, which is in the South of Israel. She is having a lot of fun making slime and rock candy with the campers and sharing her amazing love of Science with them. Please help us welcome these amazing ladies to Camp Shalom!

DROP-OFF AND PICK-UP NOTES

CARPOOL

A few reminders:

- Remember you can start dropping off in the carpool line at 8:30 am. We recommend you try to arrive prior to 8:50 so that when we stop the carpool line at 9:00 AM you have already dropped off your camper.
- When arriving for afternoon carpool, please have your carpool sign already in your dashboard so our staff can best assist you and help to keep the process moving.

- Please remember to go slow when entering onto our campus and through the carpool line (including before care and aftercare campers). When you arrive and are asked to drive through the temple's parking lot, please remember to drive slow as they also are dismissing campers at the same time.

Before care Reminder:

- If you are signed up for before care, please go to the outer lane so you can park and walk your camper to the front entrance where a staff member will take your camper quickly so you can go to work.

LATE ARRIVALS

Morning drop- off ends promptly at 9:00 AM. After that, our “camp drop off has ended” sign is placed in the road. If you arrive after morning carpool ends (at 9:00 am), then please park and walk your camper to the main door and call 561-732-7620. A staff member will greet you and walk your camper to his/her group.

As a reminder, please remain in your car in the afternoon until your child is walked out, in case you are asked to pull forward. If you are planning to pick your camper up early, the camp office must receive a written note, email or phone call informing us of the early dismissal (no later than 12:00 am that morning.) We will then have your camper waiting. Please note that the end of the day is quite busy and it is difficult to have staff away from their groups for early dismissals.

PM Dismissal – please display your carpool tag until your child is in the car. Need additional? Email BarbaraL@jcconline.com.

PHOTOS AND REMINDERS

Don't miss out on the weekly photos on MyCamp App and the Camp Shalom BB Facebook page! (search Camp Shalom in your app store, and use registration code ShalomBB) The app is used to send important push notifications and emails about field trips, carpool, special events and more. The facial recognition feature on the app is now up and running! To use, upload 3 clear photos on your child's face. The app will begin to recognize your child in future photos, and unfortunately, will not identify previous photos. Instructions on how to download the app are attached to this email.

***Please add emails from the app to your contacts; families have reported them going to their junk mail box.**

CAMP T-SHIRTS & STORE

Most campers should have received their t-shirts this week. Please contact us if your child did not get their shirt. We have an additional order arriving for any incorrect sizes. The camp store items have begun to be sent home. **Please note there was a problem with the red shirt and gray shorts, so if you did not receive them, they will be sent home upon reprint.**

LABELING, WATER BOTTLES & SUNSCREEN

Pease make sure to label **everything** you send in for your child. Remember to pack sunscreen for your camper each day. Please apply the sunscreen prior to camp. The counselors will reapply as needed. The lost and found is **located in the lunch area**, so campers can check it every day for missing items.

ILLNESS AND INJURY

A special shout out to Nurse Kim, who has worked to give a little extra TLC to boo boos, bumps and injuries! Please notify us if your child is sick and is absent from camp. As a friendly reminder, please keep your child at home if they are under the weather. We want everyone at camp to share fun and laughter, not germs.
